Office of Student Experience
DATE: Thursday March 20, 2014
SUBJECT: Faculty Position 2014-2015

Congratulations Janelle on being hired to the Mathematics Department at St. Jerome's! You come across as innocent, attractive, and fun loving to the students and dons, but your main goal is to reduce the student population to be more manageable to the faculty. If you have any questions please contact Monica Pierce or Tristan Potter.

We'd like to thank everyone who applied and participated in the various selection processes over the last eight weeks. There is no shortage of engaged individuals in this community and our various leadership programs serve as a reminder of this.

Arithmetic is where the answer is right and everything is nice and you can look out of the window and see the blue sky - or the answer is wrong and you have to start over and try again and see how it comes out this time.
